

Humanitarian Aid for IDPs

European Technology and Training Centre - ETTC

12/Mar/2015

Donation made by people of Lower Saxony, Germany.

The donation implements by ETTC

As the security situation is still complicated and the disputed areas are still not secured and the IDPs can't return to their towns so far. They are still remaining in the camps, shelters and uncompleted buildings. There are still more than 1.5 million IDPs remaining in Kurdistan region for more than seven months now. And they are in daily need of everything (Food, Winterization items, Isolation materials, Education, Medicine and etc.).

IDPs receiving food packages

The People of Lower Saxony, Germany are in an incessant situation to support the IDPs in Iraq and Kurdistan region with donations to be implemented by the ETTC. The food packages distributed by ETTC among the IDPs by the donation of the People of Lower Saxony are more than 5500 family and children packages. which is around 19 Tons of food thus far. This time ETTC could provide 638 canned food packages including (Beef, Chicken, Fish, Jam, Cheese, Honey and Sweets) among the IDPs at Bahirka Camp. The packages are useful to be used for breakfast, lunch and dinner.

We are happy that we are receiving these kinds of supports as they are different from the other supports by other NGOs.
